**FINAL DETERMINATION  
AND ORDER**

Q:\PROSECUT\CHIRO\Diaz\P1241lwa.doc

This matter came before the Idaho State Board of Chiropractic Physicians (the "Board") on the 29 day of August 2001, at a special meeting convened via telephone conference call. Presented to the Board was the Stipulation and Consent Order signed by Respondent Dennis M. Diaz ("Respondent") on the 22 day of August 2001. The Board's prosecuting attorney, Deputy Attorney General Kirsten L. Wallace, and Respondent's attorney, Anthony C. Anegon, presented and discussed the proposed Stipulation with the Board. The following board members were also present: Sandra Averill, Patrick Mayo, Zane Sterling, Dennis Harper, and James Hollingsworth. Budd Hetrick, Deputy Bureau Chief, was also present.

Pursuant to title 54, chapter 7, Idaho Code, the Board has the authority to discipline chiropractors licensed in Idaho. Pursuant to that authority, the Board hereby adopts the Stipulation in this case signed by the Respondent, Respondent's attorney, and Kirsten Wallace, a true and correct copy of which is attached hereto as Exhibit 1, as the Final Determination and Order of the Board, with the following modification:

During the two-year period of suspension that Respondent must serve, Respondent shall not practice as a health care provider. The term "health care provider" is intended to mean a person who has direct responsibility for the delivery of health care to the public. This shall include not only licensed health care providers such as physicians, nurses,

dentists, physician assistants, and nurse practitioners, but also unlicensed health care providers, including, but not limited to, naturopaths and massage therapists.

This is the final Order of the Board, based on the stipulation between the Board and Respondent. Under the terms of the stipulation, Respondent has waived all rights to seek reconsideration or to appeal the terms of this order.

The above modifications are accepted by Respondent as indicated by his signature below.
